

# ADELAIDE GUITAR FESTIVAL'S GUITARS IN BARS

1 – 31 JULY 2019

ADELAIDE AND REGIONAL SOUTH AUSTRALIA

In 2018, over 780 artists performed in more than 220 gigs in 100 venues across South Australia. From city pubs to wineries, markets to houseboats, Guitars in Bars continues to expand every year.

As an open-access festival, anyone can register their gig in South Australia's most diverse celebration of guitar music. If you are a seasoned professional, emerging artist or back shed jammer, this is the opportunity to make yourself heard.

A handful of Guitars In Bars artists will also be selected to feature in curated and paid promotional opportunities across Australia and join the 2020 Adelaide Guitar Festival program, sharing the stage with some of the world's best guitarists.

Past Adelaide Guitar Festival artists selected from Guitars in Bars include: Alana Jagt, Cal Williams Jnr, Hana & Jessie Lee's Bad Habits, Kelly Menhennet, Nathan May, Stefan Hauk, The Yearlings & Wanderers.
